- Do you still remember what happened on your first day of high school?
- Do you still keep in touch with your friends from high school?
- Do you miss your life in high school?

Home

- Who do you live with?
- What is your favourite room in your home?
- How is your home decorated?
- Do you like visitors coming to your home?

Hometown

- Where is your hometown?
- What do you like about it?
- What do you not like about it?
- Is there any way your hometown could be made better?
- How important is your hometown to you?
- Can you tell me about your hometown?
- How has your hometown changed over the years?
- Do you think you will continue to live in your hometown?
- How often do you visit your hometown?
- How many people live in your hometown?
- What kind of jobs do the people in your hometown do?
- What is your hometown famous for?
- What's the oldest part of your hometown?

Humour

- What type of programmes do you find funny on TV?
- Which types of programmes are most popular in your country?
- What kind of things make you laugh?
- Do you like to make people laugh?

Indoor Activities & Transportation

- Do you prefer public transportation or private transportation?
- What're the most popular means of transportation in your hometown?
- Is it easy to catch a bus in your country?
- Is driving to work popular in your country?
- What do you think will become the most popular means of transportation in your country?
- Do you like indoor activities?
- What indoor activities do you like?
- How much time do you spend indoors every week?
- What types of indoor activities are popular in your country?

Internet

- How important is the Internet to you?
- Do you use the Internet more for work or in your free time?
- What are your favourite websites?
- Do you think you use the Internet too much?
- How will the Internet develop in the future?
- What are the positive and negative things about the Internet?

Lifestyle

- What do you do in your free time?
- Do you have a busy social life?
- Do you lead an active life?
- Has your life changed much in the last year?
- What would you like to change about your lifestyle?
- What type of activities do you like to do in your free time?
- How long have you been interested in these activities?
- Do you like to do these activities alone or with other people? (Why)?
- Do you think people have enough free time?

Major

- Do you work or study?
- What is your major? Or what was your major?
- Did you or do you like it?

- Is it a popular major at your university?
- Why did you choose that major?
- What is the most difficult part of studying that subject?
- Do you plan to use the subject you are studying in the future?
- If you could change to another major, what would it be?
- Would you change it if you had the chance?

- Do you have a mobile phone?
- At what age did you first get a mobile?
- What do you most use it for?
- Is it a nuisance if people use mobiles in public places such as trains and buses?

Movies

- How often do you go to the cinema?
- Are cinema tickets expensive in your country?
- What are the advantages of seeing a film at the cinema?
- Do you usually watch films alone or with others?
- Which actor would you like to play you in a film?

Museums

- Are museums popular in your country?
- Did you visit museums when you were a child?
- Do you like to visit museums nowadays?
- Do you think you should pay to visit museums?

Music

- How do you listen to music?
- When do you listen to music?
- What's your favourite kind of music?
- Is music an important subject at school in your country?
- What kinds of music are (most) popular in your country?
- Do you like to listen to live music?
- Is live music popular in your country?
- Have you ever been to a concert before? Or Have you ever been to a musical performance?
- How much time do you spend listening to music every day?
- Are your music tastes varied?
- What is your favourite song?
- Do you like to sing along to your favourite songs?
- Are you learning to play a musical instrument at the moment?

Musical Instruments

- Do you think it's important for children to learn to play a musical instrument?
- Do children have to learn to play a musical instrument at school in your country?
- Have you ever learned to play a musical instrument?
- What do you think is the best age to start learning to play a musical instrument?
- What do you think would be the most difficult musical instrument to learn to play?
- Do you think it is important to have a sense of humour? (Why)?

Neighbours

- Do you know the people who live next door to you?
- How often do you see each other?
- What kind of relationship do you have?
- How can neighbours be helpful?
- What kind of problems can people have with their neighbours in a big city?

Newspaper And Magazine

- Which do you prefer reading, newspapers or magazines?
- What type of stories do you like to read about?
- Do you think reading a magazine or a newspaper can help you learn a language?
- Why do you think some people prefer magazines to newspapers?
- Do you often read newspapers?
- Do you prefer to read local news or international news?
- Which is more popular where you live, newspapers or magazines?
- Do many people today read newspapers?
- In the future, do you think more people than today will read magazines or fewer people?
- Do you think newspapers will be very important to you in the future?

Outdoor Activities

- Do you like outdoor activities?
- What outdoor sports do you like?
- How much time do you spend outdoors every week?
- What types of outdoor activities are popular in your country?

Patience & Politeness

- What do you think patience is?
- Do you think patience is important?

- Do you think you are a patient person?
- Have you ever lost your patience?
- Are you a polite person?
- Who taught you to be polite?
- Is it important to be polite?
- What do you do if others are not polite to you?

Public Transport

- What kinds of public transport do you have in your country?
- What kinds of public transport do most people use?
- What is your favourite type of public transport?
- What do you do when you are travelling on public transport?
- How could public transport in your country be improved?

- What is your favourite season?
- Tell me about the different seasons in your country.
- How do the clothes people wear in your country change with the seasons?
- Do any types of jobs people do in your country change with the seasons?
- Is tourism popular in a particular season in your country?
- What season (or weather) do you think is most suitable for work and/or study?

Sports

- Do you play any sports?
- Do you watch sports on TV?
- What is the most popular sport in your country?
- How do people in your country stay fit?
- Is it important for children to play sports?
- Is there a lot of sports on television in your country?
- What sports do children normally do at school?
- Do you think people do enough sport these days?

The internet

- Do you use The Internet?
- Are children allowed to use The Internet at school in your country?
- Do you think that The Internet is useful for study?
- Have you ever used The Internet to buy something?
- Are there any dangers in buying things online?

The Sea

- Do you like to go on holiday by sea?

- Are there many hotels by the sea in your country?
- What kind of activities can people do by the sea?
- How long do people normally visit the sea when they go on holiday?

Timing

- Is being late acceptable in your culture?
- Are you ever late for appointments?
- What type of excuses do you think are alright for lateness?
- How do you feel when someone is late for an appointment with you?

Travel

- Where was the last place you visited on holiday?
- Would you like to go back there again?
- What kind of tourist destinations do you usually prefer?
- Has a foreign visitor ever stayed at your home?
- What's the best way to save money while travelling?

Trees

- Do you like trees?
- Are there many trees in your hometown?
- Do you think there are enough trees in most cities?
- What are the benefits of planting more trees?

TV

- Do you like watching TV?
- How often do you watch TV?
- What kind of TV programmes do you like to watch?
- What is your favourite TV show now?
- What was your favourite show when you were a child?
- What are the most popular TV shows in your country?
- Do you like watching TV shows from other countries?
- Has the internet affected your viewing habits?
- How many hours a day do you spend watching television?
- Do you think children in your country watch too much television?
- Do you think television is useful for education in schools?

Volunteer Works

- Have you ever worked before?
- What was your first day at work like?
- Have you participated in any volunteer work?
- Why did you do the volunteer work?
- Do you know any volunteers?

- How do you define volunteer work?

Weather

- How is the weather today?
- What's your favourite kind of weather?
- Is there any type of weather you really don't like?
- What is the climate like in your country?
- Does the weather affect people's lives in your country?
- Do people change in the summer?
- Does bad weather ever affect transport in your country?
- Tell me about the weather in your country at different times of the year.
- Which time of the year did you enjoy the most when you were a child?
- Do you (usually) pay attention to weather forecasts?
- Has the weather changed much in your country in recent years?
- What's the weather usually like in your country (or your hometown)?
- How is the weather here different from the weather in your home country?
- Would you say the weather in your hometown is suitable for working (or studying)?
- Would you like to move to a place with different weather?
- Does the weather affect the way that you feel?
- Do people like the weather in your country?
- Do the kinds of outside activities people do in your country change when the weather changes?

- What is the difference between big companies and small companies?
- Are there many big companies in your country?
- What are the good things about working for a big company?
- Should big companies be punished more seriously than small companies?
- Why do some people choose to work at an international company?
- Let's move on to the topic of companies' services. How can a company maintain the quality of the service that it gives to the public?
- Do you think it's important for a company to provide after-sales service?

2. Daily Routine

Describe your favourite part of the day. You should say:

- What time of day this is
- What you like to do at this time
- Who you are usually with

Explain why this is your favourite part of the day.

3. Daily Routine

- What are a few things that make you happy?
- Do you believe that engaging in artistic activities might make people happier? (Why/Why not)
- Do you think people who have more talent are happier than others? (Why/Why not)
- Do you think money makes people happy?
- Are the things or events that make people happy today the same as several decades ago?
- What are the benefits of getting up early?
- Why do some people like to stay up late?
- Do you think it is important to be punctual?
- What kind of situations need people to arrive early?
- Why do children and youngsters generally wake up late?
- Do you know anyone who likes to get up early?

2. Decision

Describe an important decision you have made. You should say:

- what the decision was
- why you made that choice
- who helped you make the choice

and explain why the decision was so important.

3. Decision

- Why do some people find it hard to make decisions?
- How important is it to get advice from other people when making decisions?
- Why is it sometimes difficult to accept advice?
- What are some of the most important decisions young people have to make?
- Do you agree that parents should make important decisions for their children?
- Is it better to make a decision thinking about what you want or thinking about what other people want?

2. Electronic Devices

Describe a useful electronic device you would like to own. You should say:

- what it is
- how it would help your life
- if it would be expensive to buy

and explain why you would like it.

Describe a piece of electronic equipment that you have. You should say:

- what it is
- what you used it for
- how long you have used it

and describe why it is important to you

Describe a piece of electronic equipment that you find useful. You should say:

- what it is
- how you learned to use it
- how long you have had it

and explain why you find this piece of electronic equipment useful.

3. Electronic Devices

- What are the most popular electronic devices in today's world?
- What devices do you think will be popular in the future?
- Let's move on to the role of electronic devices in today's society. Do you think people spend too much money on electronic devices?
- In what ways can electronic devices make our lives harder?
- What would the world be like without computers?
- Should children be taught to use computers at school?

2. Entertainment

Describe a comedian that you think is very funny. You should say:

- Who the comedian is
- Where they usually perform
- Who likes to see the comedian

Explain why you think this comedian is very funny.

Describe a TV show that you enjoy. You should say:

- What type of show it is
- How often it is on
- How popular it is with other people in your country

Explain why you like it.

Describe a performance you enjoyed watching. You should say:

- what the performance was
- when and where you watched the performance
- who was performing (or who performed)

and explain why you enjoyed the performance.

3. Entertainment

- Do you think traditional performances are important?
- What do you think is the difference between watching a live performance and watching it on TV?
- How do you think watching a dance performance or a stage play influences children?

2. Environment

Describe an environmental problem or event. You should say:

- What it is
- Where is it happening
- What problems it causes

And what do you think will happen in the future regarding this event.

3. Environment

- What are some of the main environmental problems in your county?
- Why should people be concerned about the environment?
- Is water pollution a problem in your country?
- What are some of the causes of water pollution?
- Do you think problems with the cleanliness of water will improve in the future?
- How can people protect the environment?
- Do you think money should be spent on protecting animals?
- Do you think more should be done to protect natural scenic spots in your country?
- What can individuals do to try and ensure water is kept clean?

2. Exciting Experience

Describe an exciting experience you've had. You should say:

- when it was
- where you were
- what it was

And explain what made this experience especially exciting.

3. Exciting Experience

- Can you compare some exciting activities people do now with activities people did 20 years ago?
- Why do some people enjoy doing dangerous sports?
- Do you think some dangerous activities should be banned?
- Let's move on from exciting activities to people doing new things in general. Should people try doing new things?
- What problems can people have when they try new activities for the first time?
- Do you think it's best to do new things on your own or with other people?
- Do people in your country spend a lot of money on celebrating birthdays?
- Do you think it's necessary to spend a lot of money on holding a party?
- Do people in your country usually go out to celebrate traditional festivals with others?

2. Family

Talk about the last time your whole family got together. You should mention:

- Where you met
- What you did together
- How long have you spent together

And say if you would like to do the same thing again soon or not, and why

Describe a family member that you get on well with. You should mention:

- What their personality is like
- What things they like doing
- If they have any strong dislikes

And say why you think you have a good relationship

Describe one of your relatives. You should say:

- What that person looks like
- What that person's character is like
- What they are doing at the moment

And say which other relative of yours they are most similar to

Describe a family member you spend a lot of time with. You should say:

- who is this person
- what you usually do together
- what kind of person he/she is

and explain why you spend the most time with him/her.

3. Family

- Is family important in your country?
- Who should be responsible to care for the elderly? Should it be the family or the government?
- How has the size of the average family changed in your country in the last few decades?
- How do you think families will change in the future?
- Let's move on to the roles of different family members. Should husbands and wives have different roles within the family?
- What role do grandparents play in the family in your country?
- What qualities does a person need to have to take care of old people?
- Do you think old people should be taken care of at home?
- How can people in the neighbourhood help the elderly during an epidemic?
- Do you see this kind of help occurring in your neighbourhood?
- Do you think teenagers must indulge in building a community for elderly?

- What kind of jobs need physical activity?
- Can physical workers have higher salaries in the future?
- Do you think machines could replace manual labour in the future?
- What's the difference between payment for physical work and payment for mental work?
- How can a person's energy affect others?
- Do you think children are born smart or do they learn to become smart?
- How do children become smart at school?
- Why are some people well-rounded and others only good at one thing?
- Why does modern society need talent of all kinds?
- How can we assist youngsters in realising their potential?
- Who is the head of the family in your culture?
- Are men better at decision-making in a family?
- How do you see leadership qualities now and in the future?
- Do you think that in the future there will be more women leaders?
- Should a leader discuss with team members when making decisions?
- What are the advantages of strong family relationships?
- How many generations are usually living under one roof in your country?
- What are the benefits, and drawbacks of a family of several generations living together?
- Do both parents have equal responsibilities in taking care of their children?

2. Food

Describe a famous food from your hometown or country. You should say:

- What it looks like
- What it tastes like
- When and how it is usually eaten

And say why you think it is famous

Describe a meal that you had that you remember well. You should say:

- Where the meal was
- Why you had the meal
- Who you went with

Explain why you remember this particular occasion.

Describe a meal that you ate out. You should say:

- Where you went
- What you ate
- Who you went with

Explain why you remember this meal.

3. Food

- What are the types of food that people eat in your country?
- What about foreign food? What kinds of foreign food are popular in your country?
- In your country, is it important to have a meal together with your family?
- Is food now better than in the past?
- What kind of people would like to go to a cafe?
- Why do young people like studying in a cafe instead of at home?
- Do older people like to drink coffee?
- Do Indian people like to drink coffee?
- Does the taste of coffee vary by country?

2. Friends

Describe a friend who has played an important part in your life. You should say:

- How you met this person
- How long you have known him or her
- The kind of things you do or have done together

And explain why this person has been important in your life

Describe a friend you had in primary school. You should say:

- What that person was like
- How long you were friends for
- What things you did together

And say whether you are still in contact with that person or not, and why

3. Friends

- What is the importance of friends?
- Would you like to have a few very good friends or a lot of just friends?
- If you had a problem, would you go to your friends or family? Why?
- Do you think it is always better to talk to your friends about such a problem?
- Is it important to have friends from other countries?

2. Furniture

Describe a piece of furniture that you own. You should say:

- what it is
- where you bought it
- how you use it

and explain why you like it.

3. Furniture

- In what situations do people in your country buy furniture?
- In families in your country, who usually decides what furniture to buy for the home?
- How do people in your country decide what furniture to buy for the home or office?
- Do people in your country prefer traditional or modern styles of furniture?

2. Health

Describe your (or your friend's) experience with an illness or injury. You should say:

- What it was
- When it happened
- How you (or your friend) handled it

and say how you feel about it now.

Describe something healthy you enjoy doing. You should say:

- What you do
- Where you do it
- Who you do it with

and explain why you think doing this is healthy.

Describe an article you read in a magazine or on the Internet that could help people improve their health. You should say:

- when you read it
- where you read it
- what it was about

and explain why (you think) it could improve people's health.

3. Health

- How can people improve their health?
- Do elderly people exercise much in your country?
- Do you think all illnesses can be prevented?
- Do you think that illnesses will be less common in the future?
- Do you think healthcare should be free?
- What makes someone a good doctor?
- Why is it that different people want to see different magazines?
- What type of magazines do teens prefer to read?
- What is the distinction between information on TV and information in magazines?
- Do folks like to read the information on the World Wide Web?
- Do people still purchase magazines in their own country?
- Do you feel that people now are healthier than people previously?
- Do you think we have to restructure our lifestyle to improve our health?
- How do you think people could become healthier?
- Are there any differences between the way old people and young people try to stay healthy?
- Do schools in your country have any special activities to enhance the fitness of students?

- Do you think people in the future will be doing more exercise and eating healthier than they are today?

2. Help

Describe a time when you helped someone. You should say:

- When you helped
- How you helped
- How you felt after helping

And if you will help them in the future.

3. Help

- Do you like helping others?
- Do you think people are less willing to help others these days compared to the past?
- Do people today trust others as much as they used to in the past?
- How do people in your community help each other?
- Let's move on to the topic of educating children to help people. In your view, should children be taught to help others?
- In your opinion, how can we encourage children to help others?
- What about students? How can students, such as high-school students, help each other?

2. History

Describe a historical place that you have visited. You should say:

- what kind of place it is
- where it is located
- what is the historical significance of the place is

and describe your experience of the place.

3. History

- Do you think history is important?
- Do you like to learn about history?
- What do you think we can learn by studying history?
- Let's move on to different ways of learning about history. In your opinion, how can people learn about history?
- Do you think people can learn history from films or TV programs?
- Do you think the internet is a good place to learn about history?
- What is the effect of technology on how people learn about history?

2. Holiday

Talk about an activity you like doing when you are on holiday. You should say:

- Where do you usually do it
- Who do you do it with
- Why do you enjoy it

And say whether you also enjoyed doing that when you were a child or not, and why

Talk about somewhere you went on holiday. You should say:

- How you got there
- What activities you did there
- Who you went with

And say if you would recommend that holiday to a friend or not, and why

Talk about your dream holiday. You should say:

- Where you would like to go
- What kind of accommodations you would like
- What activities you would like to do

And say if you ever think you will go on a holiday like that or not, and why

Talk about your plans for your next long vacation. You should say:

- Where do you want to go
- Who do you want to go there with
- What do you want to do when you get there

And say how likely you are to do what you have planned and why.

3. Holiday

- First of all, why do people go on holiday?
- How important is it for families to go on holiday together?
- Why do some people go on holiday alone?
- How have holidays changed over the past few decades?
- What kind of holidays will be popular in the future?
- Let's move on to talk about taking holidays in a foreign country. Do you think is it better to take a holiday in your own country or in a foreign country?
- What problems can people have on holiday in a foreign country?

2. Home

Describe a house or apartment you would like to live in. You should say:

- where it is / Where it would be
- what you would (like to) do there
- who you would (like to) live therewith

and explain why you would like to live in this place.

3. Home

- Why do people move to a new home?
- What problems do people face after moving to a new place?
- What are the advantages and disadvantages of living in the same place?
- Is it good to move to a new place frequently? Why?
- Do you think it's better to rent or to buy a place to live in?
- How easy is it to find a place to live in your country?
- Do you agree that there is a right age for young adults to stop living with their parents?
- What options are available to young couples looking for accommodation in your country?
- What are some of the pleasures involved in making a home for ourselves?

2. Influence

Describe someone who has had an important influence in your life. You should say:

- Who the person is
- How long you have known him or her
- What qualities this person has

and explain why this person has had such an influence on you.

3. Influence

- What types of people influence the young in your country?
- What type of people, such as parents, teachers, or friends, are best to influence young people's behaviour?
- Why is it important for young people to have role models?
- What do you think young people will be influenced by the most in the future?
- Why is it important to have role models?
- Do you think the education system in your country influences young people's behaviour?
- What type of person (parents, teachers, friends etc) are best to influence young people's behaviour?
- What do you think young people will be most influenced by in the future?

2. Internet

Describe a website that you often use. You should say:

- what type of website it is
- how you found out about it
- what it allows you to do, and why you find it useful.

And how it compares to other similar websites.

3. Internet

- How do you think the Internet will change people's buying habits in the future?
- What are the pros and cons of shopping online?
- Is the Internet important for education?
- Do you think parents should supervise their children's use of the Internet?
- What's the best age for children to use the Internet?
- Why do children start using the Internet very early nowadays?
- Let's move on to what people do on the Internet. What do you think people do on the Internet?
- What about elderly people? Do elderly people use the Internet very much?
- What can people do on social media?
- Do you think older people and younger people will use the same kind of social media software?
- Do older people spend much time on social media?
- Are non-social media like television and newspapers still useful?
- What are the advantages and disadvantages of using social media?

2. Late

Describe a time you were late for something. You should say:

- when it was
- why you were late
- how people reacted to you being late

and explain what happened because you were late.

3. Late

- What is the general attitude towards arriving somewhere late in your country?
- What is an example of a time when it is very important for people to arrive on time in your country?
- Can you suggest some ways to make sure you are not late for anything?
- Let's move on to how modern technology influences the way that people manage time. Do you think computers make it easier or more difficult to manage time?
- How can modern technology help people arrive early?
- Do you think it is easy to manage your time in the modern world?

2. Machine

Describe the most useful household appliance that you have. You should say:

- What it is
- How it works
- How life would be without it

And explain why it is so important to you.

3. Machine

- What kinds of machines are used for housework in modern homes in your country?
- How have these machines benefited people? Are there any negative effects of using them?
- Do you think all new homes will be equipped with household machines in the future? Why?
- Let's move on to technology. Do you think people rely too much on technology?
- Do you think men and women view technology differently?
- Finally, let's talk about the impact of technology on employment. How have developments in technology affected employment in your country?
- Some people think that technology has brought more stress than benefits to

2. Memory

Describe an occasion when you forgot something important. You should say:

- what you forgot
- how important it was
- Some possible reasons why you forgot it

And if you think this will happen again.

3. Memory

- Do you think it's important to have a good memory?
- Why do sometimes people forget things?
- Which do you think is more important to remember, a business meeting or a meeting with a friend?
- Are there any things that are especially important for people to memorise?
- Let's move on from memory to family history. Why do people want to remember their family history?
- What can you do to learn more about your family history?

2. Mobile phone

Describe a time when you couldn't use your mobile phone. You should say:

- where it was
- what you were doing at this time
- when it was

and explain why you were not able to use your mobile phone.

3. Mobile phones

- Do you think there should be regulations on the use of mobile phones?
- What do you think of primary school students owning a mobile phone?
- What (minimum) age do you think is appropriate for owning a cell phone?

2. Money

Describe what you would do if you received a very large amount of money. You should say:

- who you would share it with
- what you would buy
- what else you would do

and explain how you would feel about getting so much money.

Describe a special day out that cost you little money/did not cost you much. You should say:

- when the day was
- where you went
- how much you spend

and explain how you feel about the day.

Describe something (special) that you saved money to buy. You should say:

- what it was
- how long it took you to save enough money to buy it
- why you wanted to buy this thing
- how you got (or, earned) the money

and explain how you felt when (or, after) you bought it.

3. Money

- Is money important to you?
- What is the relationship between money and power?
- Let's move on to teaching children about money. How do you think parents can teach the value of money to their children?
- Do you think it is important to teach children money skills?
- Should we let children buy whatever they want with money they've saved?

2. Music

Talk about a musical instrument you would like to be able to play but have never tried. You should say:

- What the instrument looks like
- What it sounds like
- What kinds of people it is popular with

And say if you think you will ever try to play that instrument or not, and why

Describe your favourite song. You should say:

- What is the name of the song
- What the song is about
- When you first heard the song

Explain why it is your favourite song.

3. Music

- What kind of music is popular in your country?
- How does pop music now compare to when you were growing up?
- Is foreign music or music from your country more popular with people your age?
- Let's move on to the role of government on music. Do you think it is necessary for the government to require all children to learn music?
- Do you think the government needs to do more to preserve traditional music? What could they do?
- Finally, let's talk about illegal downloading of music. There's a lot of pirated music. Do you agree that we should support official music?
- What are some possible advantages and disadvantages of being stricter about the illegal downloading of music?
- Do you think CDs will have any role in the music industry in the future?
- Do singers play an important role in your country?
- Do you think celebrities have a lot of income?
- In your country, do people prefer to listen to traditional music or foreign music?
- Do you prefer live performances?
- What do you think about the role of singers on the national level?
- What types of songs are the most popular among today's young generation in India?
- Why do you think pop music is so popular?

2. News

Describe an interesting piece of news that you have recently read about or heard about. You should say:

- what the story was
- who was involved in the story
- where you read or heard about this story

and explain why this news story was interesting to you.

Describe some good news that you recently received. You should say:

- What the news was
- How you got the news
- Who else you told about it

Explain why this was good news.

Describe a person who is often in the news and who you would like to meet. You should say:

- who is this person is
- how do you know him/her
- why he/she is often in the news

and explain why you would like to meet him/her.

3. News

- How do people get their news in today's society?
- How do you think people will get their news in the future?
- How does modern technology affect the delivery of news?
- Do you believe everything you read in the newspaper?
- Let's move on to the topic of good news. In your opinion, when do people share good news?
- How do people share good news?
- What is the difference between new media and old media?
- Do you think the contents in the newspapers are reliable?
- Do you think it's necessary for people to watch foreign news?
- How has social media changed how we consume news?
- What kinds of (famous) people are usually in the news in your country?

2. Parenting

Describe people that you know and believe to be very good parents. You should say:

- Who they are
- How you met them
- Why do you think they are good parents

And explain what it requires to be good parents.

3. Parenting

- For parents, what is important when bringing up their children?
- Do you think mothers and fathers have different roles to play in bringing up a child?
- Let's move on to the education of children. Do you think hitting children is sometimes necessary for discipline?
- Do you think sweets are a good thing to reward children with?
- Do you think parents spend too much on buying toys for their children?

2. Party

Describe the best party you have been to. You should say:

- whose party it was
- who was there
- what happened at the party

and explain what made it so enjoyable.

Talk about a birthday party you can remember well. You should say:

- How you celebrated
- Who you were with
- Why do you remember that day

And say how it was different from other birthdays you have had before or since

Describe a typical festival or celebration in your country. You should say:

- When it usually happens
- What it is celebrating
- What people do

And say if that is your favourite celebration or not, and why

Describe your favourite festival or celebration. You should say:

- What time of year it is
- Why do you like it
- What you usually do

And say how that festival or celebration compares to others in your country or abroad.

Describe a crowded place you've been to. You should say:

- when you go there
- where the place is (or was)
- who you went therewith

and explain how you felt about the place.

3. Party

- When do people usually have parties in your country?
- What makes a good party?
- What are the main reasons why people organise family parties in your country?
- In some places people spend a lot of money on parties that celebrate special family events. Is this ever true in your country? Do you think this is a good trend or a bad trend?

- How important is it to celebrate important events with a group of people?
- Why do some people think that national celebrations are a waste of government money? Do you agree or disagree with this view? Why?

2. Plans

Talk about one thing you are going to do next weekend. You should mention:

- Where you are going to do it
- Who you are going to do it with
- Any equipment you need to do it

And say whether you are looking forward to it or not and why

Talk about one thing you are planning to do after you pass the IELTS test. You should say:

- When you think you will do it
- Why do you want to do it
- How long you have had that plan

And say whether there are any other options for what you could do which might be just as good.

Talk about a goal or ambition you have. You should say:

- When and why you first discovered you had that goal or ambition
- What you need to do to make it come true
- What your next step needs to be

And say if you think you will achieve that goal or ambition or not, and why

3. Plans

- In general, do you think planning is important?
- Do you think people should make highly detailed plans or just general plans?
- What types of people like to make plans?
- Why do you think some people dislike making plans?
- Let's move on from planning to career plans. Do you think it's important for a person to have a career plan?
- How do most people plan their futures in their education and careers?
- Do you think it's important for young people to get advice from their parents when planning a career?

2. Products

Describe something which is produced in your country, such as food, a handicraft, or a car. You should say:

- what it is
- what it is used for
- how it is made or produced

and explain why your country produces this thing.

3. Products

- What kinds of products are mostly imported into your country?
- In your opinion, why do some people like to buy imported products?
- Let's move on to local products. What are some famous local products in your country?
- Do you think a country should make everything it needs or import some things?
- What are the disadvantages of a country producing everything it needs?
- Finally, let's talk about globalisation. Do you think the globalisation of industries and commerce is a good thing?
- What are the impacts of globalisation on international trade?

2. Restaurants

Describe a restaurant or a cafe you often go to. You should say:

- Where it is
- What it looks like
- What kind of services are provided
- What kind of food do you like there/ What kind of food is famous?

And say why you like it.

3. Restaurants

- Do many people eat in restaurants in your country?
- Why do some people enjoy eating out?
- Is it expensive to eat out in your country?
- Let's move on from eating in restaurants to cooking at home. Do you like to cook at home?
- Nowadays, more and more people are unwilling to cook. Why is this happening?
- What's the difference between restaurant food and home-cooked food?

2. Rules

Describe a traffic rule or law you know about. You should say:

- what it is
- how you know about it
- if you follow this rule or law

and explain why this rule is important.

Describe a rule you had to obey when you were in school. You should say:

- what the rule was
- if you agreed with the rule
- why the rule existed

and what would happen if students broke the rule.

3. Rules

- Why do we have rules in society?
- Do you think it's necessary to set up rules about overworking people?
- What are some examples of rules that exist in many families?
- What are some rules that exist in schools or workplaces in your country?
- Do you think that the students themselves should have a say in what kinds of school rules there are?

2. School

Describe a school that you are attending or attended in the past. You should say:

- What it looks like from the outside
- What it looks like inside
- What facilities it has

And say if you think it is a good school building or not, and why

Talk about a subject you would like to study in the future. You should say:

- Why do you want to study that subject
- What things about that subject do you find particularly interesting
- Where it is possible to study that subject

And say if you think you will start studying it soon or not, and why

3. School

- Is higher education too expensive in your country?
- Should all students pay for their university education?
- Can you compare the education your parents had with the education that you received?
- What changes do you think will happen in the classrooms of the near future?
- Let's move on to university education. What advantages do universities bring to society?
- Which is more important, research or teaching?
- What makes a good university student?
- Do you think students should be taken to school by their parents or go by themselves?
- Should children rely on their parents or be independent?
- How can children become more independent?
- What is the effect if parents interfere with children's life too much?
- How does changing school affect children?

2. Science

Describe an area of science that you are interested in. You should say

- What it is
- What you can learn from it
- When you started becoming interested in it

And explain how this area of science helps you

Describe a scientific subject that you learned about in high school. You should say:

- what subject it was
- who taught you this subject
- what you learned from it

and explain how this subject helped you in your life.

3. Science

- Do you think science is important?
- Do you think science can change our society?
- Which area of science has been the most important in the last one hundred years?
- Why do you think some inventions have not been successful in the marketplace?
- Do you think it's good that new inventions are appearing so often?
- Do you think there will be any negative effects resulting from future technology?

2. Shopping

Describe a shopping street in your hometown. You should say:

- What things you can buy there
- What are the most popular shops
- Any changes there have been over the years

And say if you think shopping there will become more or less popular in the future, and why.

Describe a shop in your hometown or the place you are living now. You should say:

- Where it is
- What it sells
- What are the advantages of shopping there are

And, if you think it will be popular or not in the future, and why

3. Shopping

- Is shopping a popular activity in your country?
- How have shopping habits changed over recent years?
- To what extent do you think advertising affects the way people shop?
- Do you think shopping habits are likely to change in the future?
- Why do some people prefer to purchase brand name products produced abroad?
- Is service better in large shops or in small shops?
- What do people do when they get bad service?
- What are your thoughts about the trend that people buy new things instead of repairing the old ones?
- Is increasing consumerism a good trend?
- Do you think adults and youngsters' shopping lists have a vast difference?
- Which products are most consumed in your country? Why?

2. Social Problems

Describe a problem in your city. You should say:

- what it is
- how serious it is
- what causes this problem

and say what can be done to solve or reduce the effects of this problem.

3. Social Problems

- What social problems are there in your country?
- What about poverty? What can be done to alleviate poverty?
- Are there many charities in your country?
- Let's move on to talk about the overpopulation problem. Why do so many people move to live in cities?
- What problems does overpopulation cause?
- Finally, let's talk about crime. What is the difference between major and minor crime?
- Do you think all criminals should go to prison?

2. Something Difficult To Use

Describe something you bought that was difficult to use at first. You should say:

- what it was
- why you bought it
- how you use it

and explain why it was difficult to use at first.

3. Something Difficult to Use

- Do you often buy new things?
- Would you say that advertising makes people buy more new things than they would if there was no advertising?
- Do you think old(er) people have difficulties using some things that young people do not?

2. Sports

Talk about a sport you like doing or watching. You should say:

- How you first became interested in it
- Why you are interested in it
- What equipment and skills are needed for it

And say if you think it is an easy sport to do or not, and why

Talk about a sport many people enjoy, but you have never tried. You should say:

- What equipment is needed for it
- What some of the rules are
- What kinds of people this sport is popular with

And say if you think you will do this sport in the near future or not, and why

Talk about a sport that interests you, but you have never tried. You should say:

- Where it is usually played
- What kinds of people usually play it
- Why it interests you

And say if you think you will ever do this sport or not, and why

Describe a sporting event you attended. You should say:

- What kind of sport it was
- How it compared to other events you've been to
- How often it takes place

Explain why you consider this event to be of interest.

Describe a sport that you would like to try. You should say:

- Which sport it is
- Where you could do the sport
- Who you could do it with

Explain why this sport would be good to try.

3. Sports

- What types of sports are popular in your country?
- Do you think the types of sports that are popular will change in the future?
- Let's move on to talk about some positive aspects of sports. In your opinion, what are the benefits of playing a sport?
- What about cultural aspects? How can sports bring people from different countries closer together?
- Do you think old people can keep fit by playing sports or exercising?

- Finally, let's talk about the Olympic Games. How are the Olympic players trained in your country? Do they usually start training when they are born?
- Why would somebody dislike watching the Olympic Games?
- Do you think the types of sport that are popular will change in the future?
- How often do people go to buy clothes?
- What characteristics do you think an athlete should have?
- Why are there so few top athletes?
- What's the best way to become a top athlete?

2. Text message

Describe an important text message you received. You should say:

- who sent the message
- what was in the message
- why the person sent the message

and explain why the message was important to you.

3. Text Message

- Why do some people dislike using text messages?
- Have the ways that people communicated with each other changed much in the last few decades?
- Why do people prefer texting as compared to phone calls?
- Do you think modern technology has any negative influence on communication?
- What do you think are some of the main differences between written communication and spoken communication?

2. Things

Describe something you own which is very important to you. You should say:

- where you got it
- how long you have had it
- what you use it to do

And explain why it is important to you.

3. Things

- What kinds of possessions are considered high-status to people in your country?
- Were different possessions thought of as valuable in the past?
- Why do you think people need to show their status in society?
- Do advertisements give correct information, or do they encourage people to buy things that they may not need?
- Where can people hear a lot of noise?
- What may happen when someone listens to very loud music using headphones while they are running or hiking?
- What can be done to reduce traffic noise?
- Do you think the world will be noisier in the future?
- What rules should be imposed to reduce noise pollution in the near future?

2. Traditional Product

Talk about a traditional product which is very popular in your country. You should say

- What the product is
- How it is made
- Why it is popular

And if it is popular in other countries.

3. Traditional Products

- What different types of traditional products are produced in your country?
- In your opinion, why do traditional products attract tourists?
- Do you think there are benefits of traditional products to locals?
- Do you think the government should help in the promotion of traditional products?
- Let's move on from traditional products to traditions. Do you think because of globalisation countries are adopting each other's traditions?
- Did the traditional things of the past are of better quality than present day things?
- Do you think it is necessary to protect traditions?

2. Transportation

Describe the transportation system in your hometown or the place you are living now. You should say:

- What kind of transportation there is
- Which kind of transportation do most people use
- What are the good points and bad points of the transportation system are

And say if you think most people are happy with the transportation system or not, and why.

Talk about one means of transportation that you often use. You should mention:

- Where you usually go by that means of transportation
- What the advantages of that method of travelling are
- What the disadvantages are

And say if you think you will use that means of transport more or less often in the future, and why.

Describe a trip you took by public transport. You should say:

- when it happened
- what means of transport you took
- what you did during the trip

and explain how you felt about the trip.

3. Transport

- How do most people travel long distances in your country?
- Have the types of transport people use changed much over the last few decades?
- What kinds of improvement have there been in transport in your country in recent years?
- Do you think transport is likely to continue to improve in the future?
- Have the types of transportation people use changed much over the last few decades?
- How has transportation improved in recent years?
- Do you think transportation is likely to continue to improve in the future?
- What is your take on introducing transportation passes?
- Let's move on to the transportation system in your country. Is it faster to travel by public transportation or by car in your country?
- What are the impacts of Uber on transportation in your country?
- Do you think traffic jams would be reduced if people could travel on public transport for free?
- Why do you think more and more people prefer to travel by plane?

- What kinds of obstacles do you think some local governments have to face when they develop transportation infrastructure?

2. Travel

Describe a journey you have been on. You should say:

- Where you went
- What kind or kinds of transport you used
- How long the journey took

And say whether you think it was easy to take this journey or not, and why.

Talk about something tourists like to do in your country. You should say:

- How well-known the activity is
- Why it is popular
- What kinds of people like to do it

And say if you think it will become more popular or less popular in the future and why

Talk about a day trip you have been on. You should say:

- Where you went
- How you travelled
- Why you chose to go to that place

And say whether you would like to go back to the same place again or not, and why.

Talk about a part of your country you have never been to but would like to visit. You should say:

- Why you have never been there before
- If or when you think you might go
- Why you would like to go

And say how you first became interested in going to that place.

Talk about a foreign country you have never been to but would like to visit. You should say:

- Why you have never been there before
- If or when you think you might go
- Why you would like to go

And say how you first became interested in going to that place.

Describe a country you would like to visit in the future that you haven't been to yet. You should say:

- Which country it is
- Where it is located in the world
- What you could see there

Explain why this country would be such a good place to visit.

Describe a lake, a river or a sea you have visited. You should say:

- Where the lake is
- How often you have visited it
- What activities you do there

Explain why you like this particular place.

Describe a holiday that you recently went on that you enjoyed. You should say:

- Where you went
- Who you went with
- What you did

Explain why this holiday was enjoyable.

3. Travel

- Why do some people prefer to travel abroad rather than travel in their own country?
- Do you think travelling to another country can change the way that people think?
- Do you think it's safer to travel today than in the past?
- Let's move on to tourism. What are some famous tourist spots in your country?
- What are the positive impacts of tourism in your country?
- What are the negative impacts of tourism in your country?
- What can you say about the future of the tourism industry in your country?
- Does the rating of the people influence their choice?
- How do people reserve rooms?
- What influences people's choice of a hotel?
- What is the difference between a hotel in our country and a hotel abroad?
- Which feature is the most important facility you look for while staying in a hotel?

2. TV

Describe a TV programme that you often watch. You should say:

- What kind of programme it is
- Why you watch it
- When and why you first started watching it

And say if you think that programme is better than other TV programmes that are on at the same time or not, and why

3. TV

- Tell me about the types of programmes that are generally on television in your country.
- Do you think state or private television is better?
- Let's move on from TV programmes to television in general. How has TV changed our lives?
- Do you think TV influences the way we think?
- Should children be allowed to watch a lot of TV?
- Are all people on TV famous?
- How popular is watching television in your country?
- Tell me about the types of programmes that are generally on television in your country.
- Why do people like watching television?
- What effects can watching television have on children?

2. Vegetables

Describe a plant, vegetable or crop that you are familiar with. You should say:

- Where it grows
- Why is it important
- What you like or dislike about it

And explain why it is important for your country.

3. Vegetables

- What vegetables are common in your country?
- Do people like to grow vegetables in your country?
- How do people feel when they eat vegetables that they grew on their own?
- Let's move on to the topic of organic vegetables. As we know organic fruits and vegetables are more expensive than conventional fruits and vegetables, but they are actually worth the extra cost. Do you think organic fruit deserves a higher price?
- Do you think the government should encourage farmers to grow more organic vegetables?

2. Weather

Describe a time when the weather prevented you from doing something. You should say:

- what your plan was
- what weather you were hoping for
- what happened

and explain how you felt when you had to change your plans.

3. Weather

- Describe the seasons in your country

2. Work

Describe your dream job. You should say:

- What kind of things you would do in that job
- What the working conditions would be like
- What kind of workplace you would work in

And say if you think you will be able to get a job like that or not, and why.

Describe your dream workplace. You should say:

- What it would look like
- What facilities it would have
- Where it would be

And say if you think you will ever work in a place like that or not, and why.

3. Work

- Do you think job satisfaction is more important than your salary when choosing a job?
- What skills do you think are needed to get a good job these days?
- Do you think that women should be able to do the same jobs as men?
- What's the difference between white-collar and blue-collar jobs?
- What jobs do you think are most valuable to society?
