

# Our Day at the Park

## A. Reading

I went to the park with my mom and our dog today. We went down the slide. My mom pushed me on the swing. We also found a small pond. The dog and I splashed around in the pond. Then we played tag. My mom brought a picnic lunch. We sat on the grass and ate sandwiches. The dog chased squirrels. Afterward, my mom bought me an ice-cream cone! Then I saw my friends Alex and Jenny. We all played frisbee together. Then I felt tired, so we went home.
