

## LISTENING

1. Last class we talked a bit about some tips for the listening part of the test and then you practiced a lot. After last class's experience, what tips did you find more useful and what tips would you give to someone who is taking a listening test for the first time?
2. Watch the following video and take down notes of the tips given [IELTS Listening Tips | 9 Tips for Band 9](#) . Is there any tip you don't agree with or that you would like to add?
3. As stated on tip 4, it is necessary to know how to spell common words.
  - a. Listen to the teacher dictating some common IELTS vocabulary and write it down.
  - b. Check the spelling.
  - c. Mark those words you had trouble with.
  - d. Are there any other words that you remember you have problems with? Or any usual combination of letters? Make a spare part of your page to pay special attention to those words.
